--	--

Payment Options

Kimbriki accepts EFTPOS or credit card only (VISA, MasterCard & American Express). No cash payments. Kimbriki offers a range of accounts to suit different customers, contact our Finance Team for more information.

Kimbriki is not licensed to receive:

- Food
- Gas Cylinders
- Liquids
- Hazardous Waste
- Chemicals
- Animal Waste
- Nappies
- Car Bodies and Trailers

★ Asbestos

Kimbriki accepts asbestos in securely double-wrapped parcels up to 20kgs each and unloaded by hand. Transporters with loads over 100kg must report to the EPA using: WasteLocate.epa.nsw.gov.au

★ VENM - Virgin Excavated Natural Material

Natural material such as clay, gravel, soil, sand and rock fines, which has been excavated from an area that is not contaminated. VENM must not contain any other items such as grass, concrete, bricks, broken pipes or building material. All VENM loads delivered for disposal at Kimbriki must be accompanied by a signed NSW EPA VENM Certificate (download at www.kimbriki.com)

★ Fluorescent tubes, globes and bulbs

Must be fully intact and removed from packaging. Fluorescent tubes up to 4ft (1.2m) are accepted

★ Motor Oil

Maximum container size of 10 litres. Maximum limit is 50 litres per transaction. Please drop off your oil in its container.

★ Paint

Limits apply to the container size regardless of how full they are. For a list of what's accepted, see www.paintback.com.au

★ Refrigerators, Freezers & Air Conditioning Units

Must be de-gassed, a charge of \$25 per unit applied unless proof of de-gassing is supplied.

★ Resident Vegetation Drop off at Kimbriki

Residents of Northern Beaches or Mosman Councils

1. Vehicles are limited to cars, station wagons, utes, family vans or trailers with up to 300kg and proof of residency.
2. Trade vehicles are excluded. Arrangements can be put in place to register a trade vehicle (not trucks) for a resident's own occasional use. Visit Kimbriki Administration Office for details (Mon-Fri).
3. Residents are entitled to one vegetation drop-off on any given day.
4. If your load is over 300kg you must pay for the full load not just the portion you are over.

Weighbridge

All vehicles must ENTER and EXIT via the weighbridge. Failure to stop and pay at exit will start debt recovery action and prevent your re-entry to site.

CCTV and Licence plate recognition

Kimbriki operates under CCTV and all vehicle licence plate numbers are recorded at the weighbridges.

Loading and unloading

All loads must be unloaded by the customer. Please bring appropriate resources to unload. Once waste has been dropped, charges will apply. Waste cannot be retrieved once it has been dropped.

Crane use on Kimbriki site is only permitted with prior arrangement. Please contact 9486 3512

Cover your load

You must legally secure and cover your load when transporting waste and materials.

Site Safety

Our business is committed to the health of our customers, staff, local community and the environment. Safety instructions and directions issued by Kimbriki staff and our contractors are for the protection of everybody and must be followed at all times.

Obey speed limits and staff instructions

Do not smoke

Keep children inside vehicles

Caution heavy plant and machinery

Use appropriate lifting methods

Wear appropriate footwear
